

Interview Skills Overview

Overview:

This session offers an insight into the fundamentals of preparing and navigating your way through an interview. It will cover pre-interview preparation, common interview questions and how you might respond to these, along with a series of tips for interview success.

This session will be run partly as a Q&A session, with opportunities to ask about issues you are interested in and discuss these.

Outcomes:

By the end of this session you will have had an opportunity to:

- Think about how to prepare for an interview
- Reflect on questions you may be asked
- Think about key skills and techniques you might use during the interview

Recommended audience:

This session is aimed at anyone interested in preparing for interviews.
